Human Rights Council

Thirty-fourth session

27 February–24 March 2017

Agenda item 7

Resolution adopted by the Human Rights Council on 24 March 2017

34/30. Human rights situation in the Occupied Palestinian Territory, including East Jerusalem

The Human Rights Council,

Recalling the Universal Declaration of Human Rights, the International Covenant on Civil and Political Rights, the International Covenant on Economic, Social and Cultural Rights, the Convention on the Rights of the Child and the Optional Protocol thereto on the involvement of children in armed conflict, the Convention on the Elimination of All Forms of Discrimination against Women, the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment and the International Convention on the Elimination of All Forms of Racial Discrimination, and affirming that these human rights instruments, among others, are applicable to and must be respected in the Occupied Palestinian Territory, including East Jerusalem,

Recalling also relevant resolutions of the Human Rights Council,

Taking note of the recent reports of the Special Rapporteur on the situation of human rights in the Palestinian territories occupied since 1967,¹ and other relevant recent reports of the Human Rights Council,

Deeply regretting the onset of the fiftieth year of the Israeli occupation, and stressing the urgent need for efforts to reverse the negative trends on the ground and to restore a political horizon for advancing and accelerating meaningful negotiations aimed at the achievement of a peace agreement that will bring a complete end to the Israeli occupation that began in 1967 and the resolution of all core final status issues, without exception, leading to a peaceful, just, lasting and comprehensive solution of the question of Palestine,

Noting the accession by Palestine to several human rights treaties and the core humanitarian law conventions, and its accession on 2 January 2015 to the Rome Statute of the International Criminal Court,

¹ A/71/554 and A/HRC/34/70.

Deploing Israel's recurrent practice of withholding Palestinian tax revenues,

Aware of the responsibility of the international community to promote human rights and ensure respect for international law,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice, and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force, and deeply concerned at the fragmentation of the Occupied Palestinian Territory, including East Jerusalem, through the construction of settlements, settler roads and the wall, and other measures that are tantamount to de facto annexation of Palestinian land,

Emphasizing the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and reaffirming the obligation of the States parties to the Fourth Geneva Convention under articles 146, 147 and 148 with regard to penal sanctions, grave breaches and responsibilities of the High Contracting Parties,

Reaffirming that all States have the right and the duty to take actions in conformity with international human rights law and international humanitarian law to counter deadly acts of violence against their civilian population in order to protect the lives of their citizens,

Stressing the need for full compliance with the Israeli-Palestinian agreements reached within the context of the Middle East peace process, including the Sharm el-Sheikh understandings, and the implementation of the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,

Stressing also the importance of accountability in preventing future conflicts and ensuring that there is no impunity for violations and abuses, thereby contributing to peace efforts and avoiding the recurrence of violations of international law, including international humanitarian law and international human rights law,

Expressing grave concern at the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force and military operations causing death and injury to Palestinian civilians, including children and women, and to non-violent, peaceful demonstrators and to journalists, including through the use of live ammunition; the arbitrary detention of Palestinians, some of whom have been detained for decades; the use of collective punishment; the closure of areas; the confiscation of land; the establishment and expansion of settlements; the construction of a wall in the Occupied Palestinian Territory in departure from the Armistice Line of 1949; the forcible displacement of civilians, including of Bedouin communities; the policies and practices that discriminate against and disproportionately affect the Palestinian population in the Occupied Palestinian Territory, including East Jerusalem; the discriminatory allocation of water resources between Israeli settlers, who reside illegally in the Occupied Palestinian Territory, and the Palestinian population of the said Territory; the violation of the basic right to adequate housing, which is a component of the right to an adequate standard of living; the destruction of property and infrastructure; and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned by the ongoing demolition by Israel, the occupying Power, of Palestinian homes and of structures provided as humanitarian aid, in particular in occupied East Jerusalem, including when carried out as an act of collective punishment in violation of international humanitarian law, the occurrence of which has escalated at unprecedented rates, and by the revocation of residence permits and the eviction of Palestinian residents of the City,

Deploping the conflict in and around the Gaza Strip in July and August 2014 and the civilian casualties caused, including the killing and injury of thousands of Palestinian civilians, including children, women and elderly persons, the widespread destruction of thousands of homes and of civilian infrastructure, including schools, hospitals, water sanitation and electricity networks, economic, industrial and agricultural properties, public institutions, religious sites and United Nations schools and facilities, the internal displacement of hundreds of thousands of civilians, and any violations of international law, including humanitarian and human rights law, in this regard,

Gravely concerned in particular about the disastrous humanitarian situation and the critical socioeconomic and security situations in the Gaza Strip, including that resulting from the prolonged continuous closures and severe economic and movement restrictions that in effect amount to a blockade, and from the continuing and vastly negative repercussions of the military operations between December 2008 and January 2009, in November 2012 and in July and August 2014, and about the firing of rockets into Israel,

Stressing that the situation in the Gaza Strip is unsustainable and that a durable ceasefire agreement must lead to a fundamental improvement in the living conditions of the Palestinian people in the Gaza Strip, including through the sustained and regular opening of crossing points, and ensure the safety and well-being of civilians on both sides,

Affirming the need to support the Palestinian national consensus Government in its assumption of full government responsibilities in both the West Bank and the Gaza Strip, in all fields, and through its presence at Gaza crossing points,

Expressing deep concern at the short- and long-term detrimental impact of such widespread destruction and the continued impediments to the reconstruction process on the human rights situation and on the socioeconomic and humanitarian conditions of the Palestinian civilian population, and calling upon the international community to step up its efforts in order to provide the Gaza Strip with the assistance that it requires,

Stressing the need to end immediately the closure of the Gaza Strip and for the full implementation of the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, both of 15 November 2005, to allow for the freedom of movement of the Palestinian civilian population within and into and out of the Gaza Strip, while taking into account Israeli concerns,

Stressing also the need for all parties, in conformity with the relevant provisions of international humanitarian law, to cooperate fully with the United Nations and other humanitarian agencies and organizations and to ensure the safe and unhindered access of humanitarian personnel, and the delivery of supplies and equipment, in order to allow such personnel to perform efficiently their task of assisting affected civilian populations, including refugees and internally displaced persons,

Expressing deep concern at the Israeli policy of closures and the imposition of severe restrictions and checkpoints, several of which have been transformed into structures akin to permanent border crossings, other physical obstacles and a permit regime, which are applied in a discriminatory manner affecting the Palestinian population only and all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, throughout the Occupied Palestinian Territory, including East

Jerusalem, and impair the Territory's contiguity, consequently violating the human rights of the Palestinian people and negatively affecting their socioeconomic and humanitarian situation, which remains dire in the Gaza Strip, and the efforts aimed at rehabilitating and developing the Palestinian economy,

Convinced that the Israeli occupation has gravely impeded the efforts to achieve sustainable development and a sound economic environment in the Occupied Palestinian Territory, including East Jerusalem, and expressing grave concern at the consequent deterioration of economic and living conditions,

Deploring all policies and practices whereby Israeli settlers, who reside illegally in the Occupied Palestinian Territory, including East Jerusalem, are accorded preferential treatment over the Palestinian population in terms of access to roads, infrastructure, land, property, housing, natural resources and judicial mechanisms, resulting in widespread human rights violations of Palestinians,

Emphasizing that the destruction of property and the forced displacement of Palestinian communities in the Occupied Palestinian Territory, including East Jerusalem, constitute, in all but the most limited cases as specified under international law, violations of the prohibitions on the destruction of property and on forcible transfers, respectively, under articles 53 and 49 of the Fourth Geneva Convention,

Deeply concerned at reports of the hampering and destruction of humanitarian assistance by Israel, contributing to a coercive environment that can lead to the forcible transfer of Palestinian civilians in the Occupied Palestinian Territory,

Expressing deep concern that thousands of Palestinians, including many children and women and elected members of the Palestinian Legislative Council, continue to be detained and held in Israeli prisons or detention centres under harsh conditions, including unhygienic conditions, solitary confinement, lack of proper medical care, denial of family visits and denial of due process, that impair their well-being, and expressing deep concern also at the ill-treatment and harassment of any Palestinian prisoner and all reports of torture,

Expressing deep concern also at the recent hunger strikes by numerous Palestinian prisoners in protest at the harsh conditions of their imprisonment and detention by the occupying Power, while taking note of the agreement reached in May 2012 on conditions of detention in Israeli prisons and calling for its full and immediate implementation,

Recalling the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules) and the United Nations Rules for the Treatment of Women Prisoners and Non-custodial Measures for Women Offenders (the Bangkok Rules), and calling for respect for those rules,

Recalling also the prohibition under international humanitarian law of the deportation of civilians from occupied territories,

Deploring the practice of withholding the bodies of those killed, and calling for the release of the bodies that have not yet been returned to their relatives, in accordance with international humanitarian law and human rights law,

Expressing concern at the possible consequences of the enactment by Israel, the occupying Power, of military orders regarding the detention, imprisonment and deportation of Palestinian civilians from the Occupied Palestinian Territory, including East Jerusalem, and recalling in this regard the prohibition under international humanitarian law of the deportation of civilians from occupied territories,

Stressing the need for the protection of human rights defenders engaged in the promotion of human rights issues in the Occupied Palestinian Territory, including East

Jerusalem, to allow them to carry out their work freely and without fear of attacks, harassment, arbitrary detention or criminal prosecution,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties to implement the agreements reached, and in this regard recalling the positive contribution of the Temporary International Presence in Hebron,

Recognizing the continued efforts and tangible progress made in the Palestinian security sector, noting the continued cooperation that benefits both Palestinians and Israelis, in particular by promoting security and building confidence, and expressing the hope that such progress will be extended to all major population centres,

Emphasizing the right of all people in the region to the enjoyment of human rights as enshrined in the international human rights covenants,

1. *Stresses* the need for Israel, the occupying Power, to withdraw from the Palestinian territory occupied since 1967, including East Jerusalem, so as to enable the Palestinian people to exercise its universally recognized right to self-determination;
2. *Reiterates* that all measures and actions taken by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and contrary to the relevant resolutions of the Security Council are illegal and have no validity;
3. *Demands* that Israel, the occupying Power, comply fully with the provisions of the Fourth Geneva Convention of 1949 and cease immediately all measures and actions taken in violation and in breach of the Convention;
4. *Calls for* urgent measures to ensure the safety and protection of the Palestinian civilian population in the Occupied Palestinian Territory, including East Jerusalem, in accordance with the relevant provisions of international humanitarian law and as called for by the Security Council in its resolution 904 (1994) of 18 March 1994;
5. *Demands* that Israel, the occupying Power, cease all practices and actions that violate the human rights of the Palestinian people, and that it fully respect human rights law and comply with its legal obligations in this regard, including in accordance with relevant United Nations resolutions;
6. *Reiterates* the need for respect for the territorial unity, contiguity and integrity of all of the Occupied Palestinian Territory and for guarantees of the freedom of movement of persons and goods within the Palestinian territory, including movement into and from East Jerusalem, into and from the Gaza Strip, between the West Bank and the Gaza Strip, and to and from the outside world;
7. *Also reiterates* the responsibility of Israel, the occupying Power, to respect the right to health of all persons within the Occupied Palestinian Territory and to facilitate the immediate, sustained and unfettered passage of humanitarian relief, including the access of medical personnel, their equipment, transport and supplies to all areas under occupation, including the Gaza Strip, and stresses the need for the unhindered passage of ambulances at checkpoints, especially in times of conflict;
8. *Demands* that Israel, the occupying Power, cease immediately its imposition of prolonged closures and economic and movement restrictions, including those amounting to a blockade on the Gaza Strip, which severely restricts the freedom of movement of Palestinians within, into and out of Gaza and their access to basic utilities, housing, education, work, health and an adequate standard of living via various measures, including import and export restrictions, that have a direct impact on livelihoods, economic

sustainability and development throughout Gaza, aggravating the state of de-development in Gaza, and in this regard calls upon Israel to implement fully the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, in order to allow for the sustained and regular movement of persons and goods and for the acceleration of long overdue reconstruction in the Gaza Strip;

9. *Expresses grave concern* at the confiscation and damage by Israel of fishing nets in the Gaza Strip for which there is no discernible security justification;

10. *Condemns* all acts of violence, including all acts of terror, provocation, incitement and destruction, especially the excessive use of force by the Israeli occupying forces against Palestinian civilians, particularly in the Gaza Strip, where bombardment of populated areas has caused extensive loss of life and a vast number of injuries, including among thousands of children and women, massive damage and destruction to homes, economic, industrial and agricultural properties, vital infrastructure, including water, sanitation and electricity networks, religious sites and public institutions, including hospitals and schools, and United Nations facilities, and agricultural lands, and large-scale internal displacement of civilians, and the excessive use of force by the Israeli occupying forces against Palestinian civilians in the context of peaceful protests in the West Bank;

11. *Also condemns* the firing of rockets against Israeli civilian areas resulting in loss of life and injury;

12. *Calls upon* Israel to cease all violations of the right to education of Palestinians, including those stemming from restrictions on movement and incidents of harassment and attacks on school children and educational facilities by Israeli settlers and as a result of Israeli military action;

13. *Also calls upon* Israel to end all harassment, threats, intimidation and reprisals against human rights defenders and civil society actors who peacefully advocate for the rights of Palestinians in the Occupied Palestinian Territory, including by cooperating with United Nations human rights bodies, and underscores the need to investigate all such acts, to ensure accountability and effective remedies, and to take steps to prevent any further such threats, attacks, reprisals or acts of intimidation;

14. *Expresses deep concern* at the conditions of the Palestinian prisoners and detainees, including minors, in Israeli jails and detention centres, demands that Israel, the occupying Power, fully respect and abide by its international law obligations towards all Palestinian prisoners and detainees in its custody, and also expresses its concern at the continued extensive use of administrative detention, calls for the full implementation of the agreement reached in May 2012 for a prompt and independent investigation into all cases of death custody, and also calls upon Israel to release immediately all Palestinian prisoners, including Palestinian legislators, detained in violation of international law;

15. *Calls for* urgent attention to the plight and the rights, in accordance with international law, of Palestinian prisoners and detainees in Israeli jails, including those on hunger strikes, and calls for respect for the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules) and the United Nations Rules for the Treatment of Women Prisoners and Non-custodial Measures for Women Offenders (the Bangkok Rules);

16. *Calls upon* Israel to explicitly prohibit torture, including psychological torture and other cruel, inhuman or degrading treatment or punishment;

17. *Demands* that Israel cease its policy of transferring prisoners from the Occupied Palestinian Territory into the territory of Israel, and respect fully its obligations under article 76 of the Fourth Geneva Convention;

18. *Urges* Israel to ensure that any arrest, detention and/or trial of Palestinian children is in line with the Convention on the Rights of the Child, including by refraining from holding criminal proceedings against them in military courts that, by definition, fall short of providing the necessary guarantees to ensure respect for their rights and that infringe upon their right to non-discrimination;

19. *Deplores* the resumption by Israel of the policy of punitive home demolitions and the ongoing policy of revoking the residency permits of Palestinians living in East Jerusalem through various discriminatory laws, and the demolition of residential structures and the forced eviction of Palestinian families, in violation of their basic right to adequate housing and in violation of international humanitarian law;

20. *Expresses concern* at the Citizenship and Entry into Israel Law adopted by the Knesset, which suspends the possibility, with certain rare exceptions, of family reunification between Israeli citizens and persons residing in the Occupied Palestinian Territory, including East Jerusalem, thus adversely affecting the lives of many families;

21. *Demands* that Israel, the occupying Power, cease all of its settlement activities, the construction of the wall and any other measures aimed at altering the character, status and demographic composition of the Occupied Palestinian Territory, including in and around East Jerusalem, all of which have, inter alia, a grave and detrimental impact on the human rights of the Palestinian people and the prospects for a peaceful settlement;

22. *Also demands* that Israel, the occupying Power, comply with its legal obligations under international law, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice and as demanded by the General Assembly in its resolutions ES-10/15 of 20 July 2004 and ES-10/13 of 21 October 2003, and that it immediately cease the construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, dismantle forthwith the structure situated therein, repeal or render ineffective all legislative and regulatory acts relating thereto, and make reparation for all damage caused by the construction of the wall, which has had a grave impact on the human rights and the socioeconomic living conditions of the Palestinian people;

23. *Calls upon* Israel to immediately cease any demolitions or plans for demolitions that would result in the forcible transfer or forced eviction of Palestinians, particularly in the vulnerable areas of the Jordan Valley, the periphery of Jerusalem and the South Hebron Hills, to facilitate the return of those Palestinian communities already subjected to forcible transfer or eviction to their original dwellings and to ensure adequate housing and legal security of tenure;

24. *Urges* Israel to ensure that water resource allocation in the Occupied Palestinian Territory is not discriminatory and does not result in water shortages disproportionately affecting the Palestinian population of the West Bank, and to take urgent steps to facilitate the restoration of the water infrastructure of the West Bank, including in the Jordan Valley, affected by the destruction of the wells of local civilians, roof water tanks and other water and irrigation facilities under military and settler operation since 1967;

25. *Deplores* the illegal Israeli actions in occupied East Jerusalem, including home demolitions, evictions of Palestinian residents, excavations in and around religious and historic sites, and all other unilateral measures aimed at altering the character, status and demographic composition of the city and of the territory as a whole;

26. *Expresses grave concern* at:

(a) The restrictions imposed by Israel that impede access of Christian and Muslim worshippers to holy sites in the Occupied Palestinian Territory, including East Jerusalem, and calls upon Israel to include guarantees for non-discrimination on grounds of religion or belief as well as for the preservation and peaceful access to all religious sites;

(b) The increasing tensions in occupied East Jerusalem and the wider region, including those stemming from attempts aimed at illegally changing the status quo of holy sites;

27. *Urges* Member States to continue to provide emergency assistance to the Palestinian people to alleviate the financial crisis and the dire socioeconomic and humanitarian situation, particularly in the Gaza Strip;

28. *Emphasizes* the need to preserve and develop the Palestinian institutions and infrastructure for the provision of vital public services to the Palestinian civilian population and the promotion of human rights, including civil, political, economic, social and cultural rights;

29. *Urges* all States and the specialized agencies and organizations of the United Nations system to continue to support and assist the Palestinian people in the early realization of their inalienable human rights, including their right to self-determination, as a matter of urgency, in the light of the onset of the fiftieth year of the Israeli occupation and the continued denial and violation of the human rights of the Palestinian people;

30. *Deplores* the persistent non-cooperation of Israel with special procedure mandate holders and other United Nations mechanisms, and stresses the need for Israel to abide by all relevant United Nations resolutions and to cooperate with the Human Rights Council, all special procedures and the Office of the United Nations High Commissioner for Human Rights;

31. *Requests* the High Commissioner to report on the implementation of the present resolution to the Human Rights Council, with a particular focus on the factors perpetuating the arbitrary detention of Palestinian prisoners and detainees in Israeli jails in consultation with the Working Group on Arbitrary Detention, at its thirty-seventh session;

32. *Decides* to remain seized of the matter.

Agenda item 7

Resolution adopted by the Human Rights Council on 24 March 2017

34/31. Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan

The Human Rights Council,

Guided by the principles of the Charter of the United Nations, and affirming the inadmissibility of the acquisition of territory by force,

Reaffirming that all States have an obligation to promote and protect human rights and fundamental freedoms, as stated in the Charter and elaborated in the Universal Declaration of Human Rights, the International Covenants on Human Rights and other applicable instruments,

Recalling the relevant resolutions of the Commission on Human Rights, the Human Rights Council, the Security Council and the General Assembly reaffirming, inter alia, the illegality of the Israeli settlements in the occupied territories, including in East Jerusalem,

Recalling also Human Rights Council resolution 19/17 of 22 March 2012, in which the Council decided to establish an independent international fact-finding mission to investigate the implications of the Israeli settlements on the human rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,

Reaffirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan, and recalling the declarations adopted at the Conferences of High Contracting Parties to the Fourth Geneva Convention, held in Geneva on 5 December 2001 and 17 December 2014,

Noting the accession by Palestine to several human rights treaties and the core humanitarian law conventions, and its accession on 2 January 2015 to the Rome Statute of the International Criminal Court,

Affirming that the transfer by the occupying Power of parts of its own civilian population to the territory it occupies constitutes a breach of the Fourth Geneva Convention

and relevant provisions of customary law, including those codified in Additional Protocol I to the four Geneva Conventions,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory, and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Noting that the International Court of Justice concluded, *inter alia*, that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, had been established in breach of international law,

Taking note of the recent relevant reports of the Secretary-General, the Office of the United Nations High Commissioner for Human Rights, the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories and the treaty bodies monitoring compliance with the human rights treaties to which Israel is a party, and the recent reports of the Special Rapporteur on the situation of human rights in the Palestinian territories occupied since 1967,

Recalling the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,¹

Expressing its grave concern at any action taken by any body, governmental or non-governmental, in violation of the Security Council and General Assembly resolutions relevant to Jerusalem,

Noting that Israel has been planning, implementing, supporting and encouraging the establishment and expansion of settlements in the Occupied Palestinian Territory, including East Jerusalem, since 1967, through, *inter alia*, the granting of benefits and incentives to settlements and settlers,

Recalling the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict, and emphasizing specifically its call for a freeze on all settlement activity, including so-called natural growth, and the dismantlement of all settlement outposts erected since March 2001, and the need for Israel to uphold its obligations and commitments in this regard,

Taking note of General Assembly resolution 67/19 of 29 November 2012, by which, *inter alia*, Palestine was accorded the status of non-member observer State in the United Nations, and also of the follow-up report thereon of the Secretary-General,²

Aware that Israeli settlement activities involve, *inter alia*, the transfer of nationals of the occupying Power into the occupied territories, the confiscation of land, the destruction of property, including homes and projects funded by the international community, the forcible displacement of Palestinian civilians, including Bedouin families, the exploitation of natural resources, the conduct of economic activity for the benefit of the occupying Power, the disruption of the livelihood of protected persons and the *de facto* annexation of land, and other actions against the Palestinian civilian population and the civilian population in the occupied Syrian Golan that are contrary to international law,

¹ A/HRC/22/63.

² A/67/738.

Affirming that the Israeli settlement activities in the Occupied Palestinian Territory, including East Jerusalem, undermine regional and international efforts aimed at the realization of the two-State solution of Israel and Palestine, living side by side in peace and security within recognized borders, on the basis of the pre-1967 borders, and stressing that the continuation of these policies seriously endangers the viability of the two-State solution, undermining the physical possibility of its realization, and entrenching a one-State reality of unequal rights,

Noting in this regard that the Israeli settlements fragment the West Bank, including East Jerusalem, into isolated geographical units, severely limiting the possibility of a contiguous territory and the ability to dispose freely of natural resources, both of which are required for the meaningful exercise of Palestinian self-determination,

Noting that the settlement enterprise and the impunity associated with its persistence, expansion and related violence continue to be a root cause of many violations of the Palestinians' human rights, and constitute the main factors perpetuating Israel's belligerent occupation of the Palestinian Territory, including East Jerusalem, since 1967,

Condemning the continuation by Israel, the occupying Power, of settlement activities in the Occupied Palestinian Territory, including in East Jerusalem, in violation of international humanitarian law, relevant United Nations resolutions, the agreements reached between the parties and obligations under the Quartet road map, and in defiance of the calls by the international community to cease all settlement activities,

Deploing in particular the construction and expansion of settlements by Israel in and around occupied East Jerusalem, including its so-called E-1 plan, which aims to connect its illegal settlements around and further isolate occupied East Jerusalem, the continuing demolition of Palestinian homes and eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city and ongoing settlement activities in the Jordan Valley, all of which further fragment and undermine the contiguity of the Occupied Palestinian Territory,

Expressing grave concern at the continuing construction by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, in violation of international law, and expressing its concern in particular at the route of the wall in departure from the Armistice Line of 1949, which is causing humanitarian hardship and a serious decline in socioeconomic conditions for the Palestinian people, is fragmenting the territorial contiguity of the Territory and undermining its viability, and could prejudice future negotiations by creating a fait accompli on the ground that could be tantamount to de facto annexation in departure from the Armistice Line of 1949, and make the two-State solution physically impossible to implement,

Deeply concerned that the wall's route has been traced in such a way to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned at all acts of violence, destruction, harassment, provocation and incitement by extremist Israeli settlers and groups of armed settlers in the Occupied Palestinian Territory, including East Jerusalem, against Palestinian civilians, including children, and their properties, including homes, agricultural lands and historic and religious sites, and the acts of terror carried out by several extremist Israeli settlers, which are a long-standing phenomenon aimed at, inter alia, displacing the occupied population and facilitating the expansion of settlements,

Expressing concern at ongoing impunity for acts of settler violence against Palestinian civilians and their properties, and stressing the need for Israel to investigate and to ensure accountability for all of these acts,

Aware of the detrimental impact of the Israeli settlements on Palestinian and other Arab natural resources, especially as a result of the confiscation of land and the forced diversion of water resources, including the destruction of orchards and crops and the seizure of water wells by Israeli settlers, and of the dire socioeconomic consequences in this regard, which precludes the Palestinian people from being able to exercise permanent sovereignty over their natural resources,

Noting that the agricultural sector, considered the cornerstone of Palestinian economic development, has not been able to play its strategic role because of the dispossession of land and the denial of access for farmers to agricultural areas, water resources and domestic and external markets owing to the construction, consolidation and expansion of Israeli settlements,

Aware that numerous Israeli policies and practices related to settlement activity in the Occupied Palestinian Territory, including East Jerusalem, create a system that privileges Israeli settlements and settlers, against the Palestinian people and in violation of their human rights,

Recalling Human Rights Council resolution 22/29 of 22 March 2013, in follow-up to the report of the independent international fact-finding mission to investigate the implications of Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,

Recalling also the Guiding Principles on Business and Human Rights, which place responsibilities on all business enterprises to respect human rights by, inter alia, refraining from contributing to human rights abuses arising from conflict, and call upon States to provide adequate assistance to business enterprises to assess and address the heightened risks of abuses in conflict-affected areas, including by ensuring that their current policies, legislation, regulations and enforcement measures are effective in addressing the risk of business involvement in gross human rights abuses,

Noting that, in situations of armed conflict, business enterprises should respect the standards of international humanitarian law, and concerned that some business enterprises have, directly and indirectly, enabled, facilitated and profited from the construction and growth of the Israeli settlements in the Occupied Palestinian Territory,

Reaffirming the fact that the High Contracting Parties to the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, undertook to respect and to ensure respect for the Convention in all circumstances, and that States should not recognize an unlawful situation arising from breaches of peremptory norms of international law,

Emphasizing the importance for States to act in accordance with their own national legislation on promoting compliance with international humanitarian law with regard to business activities that result in human rights abuses,

Concerned that economic activities facilitate the expansion and entrenchment of settlements, aware that the conditions of harvesting and production of products made in settlements involve, inter alia, the exploitation of the natural resources of the Occupied Palestinian Territory, including East Jerusalem, and calling upon all States to respect their legal obligations in this regard,

Aware that products wholly or partially produced in settlements have been labelled as originating from Israel, and concerned about the significant role that the production and trade of such products plays in helping to support and maintain the settlements,

Aware also of the role of private individuals, associations and charities in third States that are involved in providing funding to Israeli settlements and settlement-based entities, contributing to the maintenance and expansion of settlements,

Noting that a number of business enterprises have decided to disengage from relationships or activities associated with the Israeli settlements owing to the risks involved,

Expressing its concern at the failure of Israel, the occupying Power, to cooperate fully with the relevant United Nations mechanisms, in particular the Special Rapporteur on the situation of human rights in the Palestinian territories occupied since 1967,

1. *Reaffirms that the Israeli settlements established since 1967 in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan are illegal under international law, and constitute a major obstacle to the achievement of the two-State solution and a just, lasting and comprehensive peace, and to economic and social development,*

2. *Calls upon Israel to accept the de jure applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan, to abide scrupulously by the provisions of the Convention, in particular article 49 thereof, and to comply with all its obligations under international law and cease immediately all actions causing the alteration of the character, status and demographic composition of the Occupied Palestinian Territory, including East Jerusalem, and the occupied Syrian Golan;*
